FOR IMMEDIATE RELEASE:

LUGAR RECEIVES RESEARCH GRANT

CHARLESTON -- Heather Lugar, daughter of Randall and Marge Lugar of Charleston, is the recipient of an undergraduate research grant for her project titled, "Investigation of the Effectiveness of a Psychological Inventory and Urinalysis as Objective Diagnostic Criteria for Fibromyalgia Syndrome."

Lugar is a senior psychology major and a 1994 graduate of Charleston High School.

Eastern emphasizes distinguished teaching in the liberal arts, sciences and selected professions. A traditional, residential state university of recognized quality, Eastern enrolls more than 11,000 students in undergraduate and graduate programs.

The university, located in Charleston, also serves the region through a variety of non-credit and off-site degree programs, as well as cultural and recreational opportunities.

Eastern's pursuit of excellence attracts well-qualified students of an increasingly diverse population and a teaching faculty active in research and public service who utilize the latest technology.
